Vacancy for Parent Academy Committee Member

Dear Parents/Carers

We currently have a vacancy for a parent member to join the Academy Committee that is responsible for monitoring standards at St Ethelbert's.

Academy Committee members (formerly known as Governors) meet to discuss finances, standards, safeguarding, health and safety and site maintenance, among other issues to ensure that the best possible provision is being planned for the pupils.

This is a voluntary role that requires attendance at one or two meetings per term, and occasional visits to the school to carry out committee business such as a site visit or accompanying other members on a learning walk around the school. Parent members can serve for a maximum of four years.

No previous experience or specific qualifications are required, other than an interest in how best the school can serve its pupils and a willingness to share ideas and feedback. This can be a very rewarding and interesting role to take.

All Committee Members are subject to the usual safeguarding checks and will require DBS clearance. If you would like clarification on what this entails, please contact the office.

If you are interested please complete the form below and return to the school office by **Friday February 10th** so we can contact you.

I would like to be considered for the role of Parent Academy Committee Member at St Ethelbert's Primary School and Nursery
